

Request for Bids on Scope of Work Proposal

Project #1

ShuttleBus-Zoom is looking for bids for the following scope of work:

Graphic Art

- Graphic art to illustrate our newly proposed Pulse System of transportation routes. This artwork will use corresponding colors to depict proposed public transportation routes. Stops will be identified along proposed routes. (Much like the Boston T system as an example)
- These network diagrams will not be required to be true to scale but we do want them to closely represent the shape of the proposed route.
- Scale of graphics will range from use in a multi-fold brochure to a full wall size advertisement to posting on our website and social media platforms.
- Work must be completed and accepted by ShuttleBus-Zoom on or before June 14, 2019.
- Graphic design will be of the highest quality and will be owned by ShuttleBus-Zoom.

Please submit bids by May 31, 2019 to:
